

# RENEWABLE HEAT ASSOCIATION

The Renewable Heat Association for Northern Ireland

## TYPE OF MEMBERSHIP

The types of membership are defined at the Rules (see link above).

- Ordinary Member (operator of RHI boilers)

or,

- Associate Member. Note: an Associate member should also declare ownership of registered boilers and pay the boiler fee.

## JOINING FEE

On first application, a joining fee is payable. This is incorporated in the fee shown below.

## ANNUAL FEE

Membership fees are payable annually – as agreed by Annual or General Meeting of the Association. The membership year runs from 1 April until 31 March. With immediate effect, the fees payable for new members will be:

Ordinary Member - £350 per boiler registered with OfGEM

Associate Member - £500 + any fee owing in respect of boilers.

Fees are exclusive of VAT. The current rate of VAT is 20%.
